

## Sumitomo Optical Fibre Cleaver FC-6R series

### Optical Fibre Cleaver FC-6R series

FC-6R series is the flagship of FC-6 series. The "R" stands for "Rotating" and as its name shows, FC-6R series has rotating blade. With a rotating blade, blade adjustment is not required until the end of blade life

### Specification

Dimensions	Weight	Cleave Length	Cleave Angle (typical)	Off-cut collector	Blade Life
